

**SCHEDULE EEA
DATA PROCESSING DETAILS**

SUBJECT MATTER AND DURATION OF THE PROCESSING:

The subject matter of the Processing for subjects covered by the EEA GDPR is set out in this Agreement. The Processing will continue for so long as S2Verify performs Services under the Services Agreement or is authorized to Process EEA PII pursuant to the terms of the Services Agreement.

NATURE AND PURPOSE OF THE PROCESSING:

S2Verify provides Customer assistance with certain pre-employment background screening professional services, as further described in this Agreement.

TYPE OF EEA PII:

EEA PII Processed concerns the following categories of data: all categories of data related to the Processing associated with the professional services and Human Resources Data provided by S2Verify for or on behalf of Customer, may include the following:

- Title and Name
- Contact information such as telephone number, physical address, email address
- Employment information found on an application such as position, title, job description or personnel number
- Compensation and tax-related EEA PII
- Banking and financial account information
- Photos
- Government-issued unique identifiers
- Gender
- Date of birth

- Special Categories of EEA PII:
 - EEA PII revealing racial or ethnic origin
 - EEA PII revealing trade union membership
 - Health or medical-related EEA PII
 - EEA PII relating to criminal convictions and offenses, for major or high seriousness and minor offenses

CATEGORIES OF INDIVIDUALS TO WHOM THE EEA PII RELATES:

- Current, prospective and former Employees, Contractors, Directors and Staff Members. Applicants for employment
- Dependents, beneficiaries, spouses, and/or domestic partners of employees
- Clients and customers
- Vendors or suppliers

OBLIGATIONS AND RIGHTS OF THE CUSTOMER:

The obligations and rights of Customer are set forth in this Agreement.
